Concrete solutions for our greatest challenges

#EUmissions #HorizonEU #MissionOcean

La Mission Océan et systèmes aquatiques

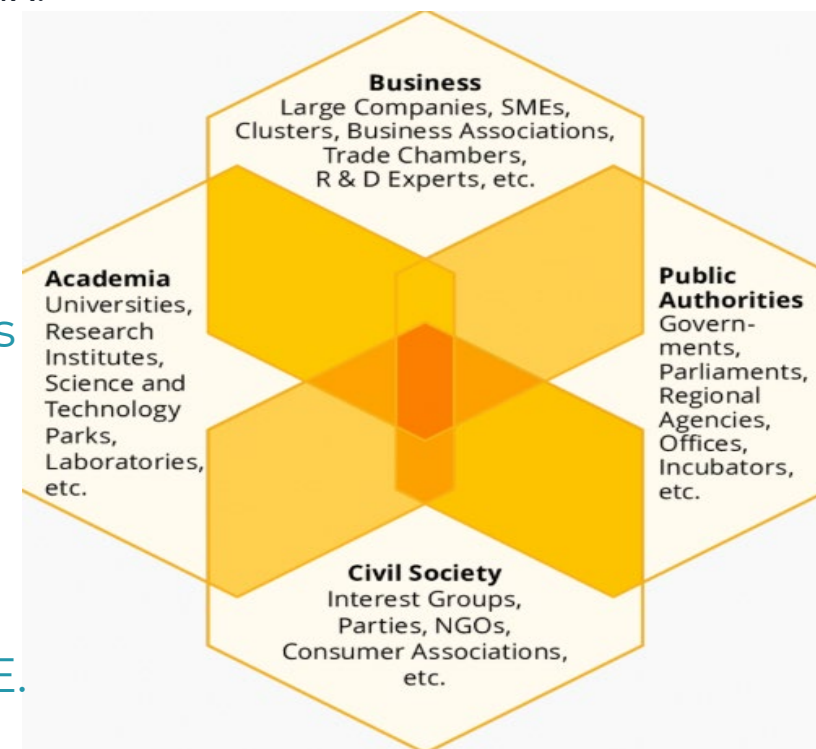

- Lancée en 2021 dans le cadre d'HE (WP dédié dont Mission Océan 110 M€/ an).
- 5 missions : Climat, Cancer, Océan, Villes et Sol.

- Objectifs :
 - Développer des solutions concrètes aux grands défis sociétaux.
 - Obtenir des résultats ambitieux d'ici 2030.

- Approche :
 - Exploiter le potentiel créatif et innovant de tous les secteurs.
 - Mettre en œuvre des solutions innovantes et transformatrices technologiques, sociales, commerciales et de gouvernance.

- 2 phases :
 - 2021-2025 : Mise en place des Phares et tester des solutions.
 - 2026-2030 : déployer les solutions avec le financement de l'UE.

**Protect and
restore marine
and freshwater
ecosystems and
biodiversity**

**Prevent and
eliminate
pollution of our
ocean, seas and
waters**

**Make the Blue
Economy carbon
neutral and
circular**

**Digital ocean and water knowledge system
Public mobilization and engagement**
